

Our unifying impact and influential leadership enhances our capabilities as Information Technology and Information Management professionals, creating value across the Local Government sector.

We accomplish our mission through these programs and services:

- Education and professional development
- Promotion of excellence in IT and IM
- Forums for collaboration and networking
- Procurement partnerships
- Advocacy and thought leadership

Strategic Priorities 2018-2020

OUR MEMBERS

Governance	Ben Cowley (BC) Chris Horsell (CH) David Carroll (DC) David Jury (DJ) Dianne Colls (DC)		LGITSA Board President: Chris James (CJ) Treasurer: Doris Hajszan (DH) Vice President: Karin Mahoney (KM) Secretary: Nathaniel Mason (NM)			

FINAL Version 1.0 Developed by the Strategy & Governance Working Group and approved by majority vote of the Board on 6 July 2018

This single-page strategy view represents the Local Government Information Technology SA (LGITSA) strategic direction over the next three years. The strategic initiatives will be reviewed annually by the LGITSA Board to check for alignment with membership priorities, policies and directions across the public sector, and emerging trends in IT and information management.

Sustainable value

nature and effective way to create sustainable value for our members

ild the governance capabilities of our Board members and knowledge sharing with similar organisations.(CJ)

ts for strategic initiatives and events, including cashflows, ncial metrics.(DH)

nplement rules and guidelines to clarify Board roles, d decision-making processes.(CH)

ublish a framework for the Board structure, defining the elegations for Special Interest Groups and Sub-

nplement a communication plan, marketing strategy and to raise awareness and profile the breadth of LGITSA embers and stakeholders.(NM)

nstitution for consideration of proxies, terms, membership g and mentoring opportunities.(CH)

ncially sustainable for one year without reliance on revenue

Ve are entrepreneurial in spirit, with fit for purpose governance – no killing of fairies on our watch!
